Allowable Subject Matter

1. Claims 1-31 are allowed.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Kowert on 25 October 2007.

Regarding claim 1, please amend the third paragraph to state the following:

a load store unit configured to store information associated with load and store operations dispatched by the dispatch unit, wherein the load store unit includes an indexed STLF (Store-to-Load Forwarding) buffer, and wherein the indexed STLF buffer includes a plurality of entries each of which is selectable using a fixed index value unique to that entry, wherein the fixed index value used to select a particular entry does not depend on the contents of that entry;

Regarding claim 14, please amend the fourth paragraph to state the following:

a dispatch unit configured to dispatch load and store operations; and a load store
